Thank you so much for opening up your church so that we could have the funeral of Jean Claire Lawson in your sanctuary. She always wanted her memorial service to be in a church. Our little church, West Point Christian, wasn't big enough. Thank you so much for sharing your facilities. May God bless your church, Sincerely – Harold Lawson, Linda Lawson & Sue Turner

### Search and Call - Progress Report: September 10, 2017

The FCCY Congregational Profile has been completed and submitted to Pam Holt, Regional Minister. To date, we have received four profiles for Interim Minister. However, most of them were from out-of-state. We have submitted a second request for more in-state Interim Minister profiles. Several in-state Interim Ministers are in the process of updating their profiles and these will not be available to us until completed and released by the Regional Office. As a result, we are in a "holding pattern" until they are received. As soon as they are received, members of the Search and Call Team will be contacted and a meeting scheduled to start the review of candidates for Interim Minister.

We will continue to update the Congregation of the progress of the search and call process.
